

Consent Form

Consent Form: extraction

Informed Consent for Oral Surgery & Extraction

Procedure: extraction (1, 2, 3)

Attending Dentist: Dr. Sarah

1. Nature of Procedure: I hereby authorize the dental team, under the supervision of Dr. Sarah, to perform extraction. The procedure has been explained to me, and I understand its purpose.

2. Risks and Complications: I understand that oral surgical procedures carry inherent clinical risks. These include temporary or permanent numbness, tingling, or altered sensation (paresthesia) in the lip, chin, tongue, or teeth due to proximity of nerves; alveolar osteitis (dry socket) causing severe pain; root tips fracturing or displacement into the maxillary sinus; infection, bleeding, swelling, or limited jaw opening (trismus) for a temporary period.

3. Acknowledgment: I have read this consent form, or had it read and explained to me. I have had opportunity to ask questions, and all questions have been answered to my satisfaction. I understand that I am signing this digitally as my legal consent.
